B+G AVENUE BOLLARD

Accessories » Bollards

Minimalist bollard design combines practical function with a clean aesthetic. The steel frame is available in powder-coat or galvanized finishes.

Description	A minimalist steel frame delivers a modern bollard design that takes its
-------------	--

cues from 20th century industrial design. The functional feel and light appearance of the Avenue bollard complements and sits within most public spaces to create a protective or architectural perimeter. Finishes include a steel frame in powder-coat colors or a galvanized finish.

Sustainability Recycled Materials

We locally source our steel. It means we know it uses recycled content

and is 100% recyclable.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds

(VOCs) and has Environmental Product Declarations (EPDs) that enable

projects to qualify for LEED credits.

Care Instructions	Powder-Coat
	1 0 11 0 0 0 0 0

Carefully remove any loose surface deposits with a wet sponge or soft

bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild

detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after

cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali

cleaning agents.

5-year warranty. View the <u>warranty</u> for more details. Warranty
