B+G MANLY CAPSULE SINGLE POST LITTER BIN

Modern, round capsule single post litter bin for undercover. 360° panel design in hardwood colors or cut-out designs in powder-coat finishes.

Description	The contemporary, cylindrical design of the Manly single capsule single post litter bin creates a minimalist aesthetic that complements the curves of modern public spaces, indoors or out. Finishes include Australian Eucalyptus hardwood battens, powder-coated steel using cut-out designs or plain in colors. Manly is a versatile, eye-catching addition to public spaces that need to stand the test of time.
Sustainability	<p>Certified Hardwood Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.</p> <p>Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> <p>Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.</p>

Signage	Vinyl decal signage for the flat lid on request.
Made In	USA
Lead Time	6-8 weeks
Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Post fixed by others - surface fixed. Anchors not included.
Care Instructions	<u>Hardwood</u> Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.
	Oiling Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.
	To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.
	<u>Powder-Coat</u> Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.
	Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.
	Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.
	Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
