# B+G MANLY SINGLE POST LITTER BIN

Litter Bins » Single Bins

Modern, round single post litter bin with hood for outdoors. 360° panel design in 2 hardwood colors or cut-out designs in 17 powder-coat finishes.

**Description**

The contemporary, cylindrical design of the Manly single post litter bin creates a minimalist aesthetic that complements the curves of modern public spaces, indoors or out. Finishes include Australian Eucalyptus hardwood battens in 2 finishes, powder-coated steel using cut-out designs or plain in 17 colors. Manly is a versatile, eye-catching addition to public spaces that need to stand the test of time.

**Sustainability**

**Certified Hardwood**  
Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world’s largest forestry certification system.

**Recycled Materials**  
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

**Low Pollutants**  
Our powder-coating process doesn’t emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

**Powder Coat**

**Core**  
Coreten (textured), Charcoal (satin), Silver Pearl (satin metallic), Black (satin), White (satin), Bronze (satin metallic)

**Signature**  
Deep Ocean (satin), Wedgewood (satin), Mangrove (satin), Territory Red (matt), Claypot (satin), Paperbark (satin)

**Bold**  
Sky Blue (satin), Yellow Green (satin), Pure Orange (satin), Carmine Red (satin), Zinc Yellow (satin)

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Warranty

5-year warranty. View the [warranty](#) for more details.

---

## Additional Comments

Panel designs available in hardwood battens or powder-coated steel in plain or perforated cut-out designs.

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.

Compression lock prevents door rattling.

---

## How to Specify

- Select your size - single
  - Select your capacity - 20 gal (80L)
  - Select your lid, hood and post color
  - Select your panel design and finish
  - Select your signage type
  - Select your fixing type
