Modern, modular, block planter design creates little islands of calm with bursts of greenery. Available in steel frame in 17 powder-coat finishes.

Description Inspired by the Italian love of modern design, the Sorrento block planter is as much at home in the public spaces of Chicago as it is on boardwalks of the Mediterranean. The modular block planter can create little islands of calm with bursts of greenery. A steel frame is available in 17 powder-coat finishes.

Sustainability

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.
