Modern low stool design with contrasting finishes. Battens available in 2 hardwood or 4 Duraslat™ colors and a steel post in 17 powder-coat finishes.

**Description**

Inspired by the Italian love of modern design, the Sorrento low stool is as much at home in the public spaces of Chicago as it is on boardwalks of the Mediterranean. The contrasting finishes featured on the low stool combine to create public spaces that draw the eye and challenge the status quo. Finishes include battens in 2 Australian Eucalyptus hardwood or 4 Duraslat™ colors that are supported by a steel post in 17 powder-coat finishes.

**Sustainability**

**Certified Hardwood**  
Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world’s largest forestry certification system.

**Material Alternatives**  
We offer sustainable alternatives to hardwood, such as Duraslat™; a mineral-based composite material that contains no Volatile Organic Compounds (VOCs) and is engineered using up to 46% natural filler that is based on a renewable mineral.

**Recycled Materials**  
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

**Low Pollutants**  
Our powder-coating process doesn’t emit VOCs and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

**Powder Coat**

**Core**  
Coreten (textured), Charcoal (satin), Silver Pearl (satin metallic), Black (satin), White (satin), Bronze (satin metallic)

**Signature**
