| Description | <p>Inspired by the Italian love of modern design, the Sorrento seat is as much at home in the public spaces of Chicago as it is on boardwalks of the Mediterranean. The contrasting finishes, folded forms, and modular seat design combine to create public spaces that draw the eye and challenge the status quo. A striking asymmetrical cut-out design on the backrest is visible from all directions adding to the unique visual aesthetics of the seat. Finishes include battens in hardwood or Duraslat™ colors and steel frame in powder-coat finishes.</p> <p>Optional aluminum Skate Stopper available in your choice of powdercoat finishes (additional cost). Suitable for both Duraslat™ and hardwood batten options.</p> |
