B+G SORRENTO TABLE

Tables » Dining Height Tables

Modern table design with contrasting finishes, folded forms. Battens in 2 hardwood or 4 Duraslat colors and steel frame in 17 powder-coat finishes.

Description

Inspired by the Italian love of modern design, the Sorrento table is as much at home in the public spaces of Chicago as it is on boardwalks of the Mediterranean. The contrasting finishes, folded forms, and modular table design combine to create public spaces that draw the eye and challenge the status quo. The frame features a striking asymmetrical cut-out design that is visible from all directions adding to the unique visual aesthetics of the table. Finishes include battens in 2 Australian Eucalyptus hardwood or 4 Duraslat™ colors and steel frame in 17 powder-coat finishes.

Sustainability

Certified Hardwood

Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Material Alternatives

We offer sustainable alternatives to hardwood, such as Duraslat™; a mineral-based composite material that contains no Volatile Organic Compounds (VOCs) and is engineered using up to 46% natural filler that is based on a renewable mineral.

Recycled Materials

We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants

Our powder-coating process doesn't emit VOCs and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

Powder Coat

Core

Coreten (textured), Charcoal (satin), Silver Pearl (satin metallic), Black (satin), White (satin), Bronze (satin metallic)

Signature

Deep Ocean (satin), Wedgewood (satin), Mangrove (satin), Territory Red (matt), Claypot (satin), Paperbark (satin)
