Contemporary wall-mounted seating with backrest. Trapezoidal, hardwood battens in 2 colors. Sleek steel frame in 17 zinc-primed powder-coat finishes.

**Description** The juxtaposition of solid, hardwood battens and a sleek steel frame is unified with trapezoidal design elements that add strength and visual appeal to the Terrain plinth seat. Finishes include 2 Australian Eucalyptus hardwood and 17 zinc-primed powder-coat colors. Terrain is a high-quality collection that adds a robust, contemporary feel to public spaces.

**Sustainability**

**Certified Hardwood**  
Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

**Recycled Materials**  
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

**Low Pollutants**  
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

Care Instructions

Hardwood  
Cleaning  
Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling  
Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Powder-Coat  
Cleaning  
Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty 5-year warranty. View the [warranty](#) for more details.

---

Additional Comments Hardwood is treated with a UV-resistant oil finish in a light or dark tone. Battens feature a trapezoidal profile.
