Timeless, classic seat design with armrests. Batten top in hardwood or Duraslat™. Elegant cast aluminum framing in powder-coat finishes.

---

**Description** Referencing Paris's famous wrought ironwork, curved cast aluminum framing is complemented by muscular hardwood or Duraslat™ surfaces to offer a timeless Urban classic seat with armrests. Finishes include Australian Eucalyptus hardwood or Duraslat™ and powder-coat finishes or a natural aluminum finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

---

**How to Specify** Select your length  
Select your armrest and quantity  
Select your slat colour  
Select your frame finish  
Select your fixing type

---

**Sustainability**

**Certified Hardwood**  
Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

**Material Alternatives**  
We offer sustainable alternatives to hardwood, such as Duraslat™; a mineral-based composite material that contains no Volatile Organic Compounds (VOCs) and is engineered using up to 46% natural filler that is based on a renewable mineral.

**Recycled Materials**  
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

**Low Pollutants**  
Our powder-coating process doesn't emit VOCs and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Duraslat™

#### Cleaning

Clean with mild soap and water and use a soft brush to remove any dirt build-up.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

Warranty 5-year warranty. View the [warranty](#) for more details.

---

Additional Comments Hardwood is treated with a UV-resistant oil finish in a light or dark tone.
