Unique tri table. Irregular hexagon shape. Batten top in 2 hardwood or 4 Duraslat™ colors. Elegant cast aluminum frame in 17 powder-coat finishes.

**Description**

Referencing Paris's famous wrought ironwork, curved cast aluminum framing is complemented by muscular hardwood or Duraslat™ surfaces to offer a timeless and unique Urban tri table. Featuring a unique irregular hexagon shape and striking slatted top design, the table creates a focal gathering point and is ideal for large groups. Finishes include 2 Australian Eucalyptus hardwood or 4 Duraslat™ colors and 17 powder-coat finishes or a natural aluminum finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.
